Frame Color Options:

Color options are as varied as the rainbow, but some colors may come at an extra cost. We powder coat all items. The frame and front forks are painted the customer option color, and the rest of the hardware such as seat brackets, armrests, and wheel parts are painted black. Please consult the following web links to view color options:

www.ralcolor.com

(please refer to the RAL color when specifying choice)

www.prismaticpowders.com

(refer to the "shop colors" link, and please note make of these colors are 2-stage)

Finally, if you have a custom color in mind, send the paint code to us and let us try to match it!

Seat Color Options:

Seats are offered in four color choices, including: Grey, Tan, Black, and Camo (not shown).
